

Reflections from Dean Romania 2010

Before I begin, I must first say thanks to The Lord God Almighty and His precious Holy Spirit, Who by the Grace that He bestowed on all those who helped and prayed and supported us on our mission, so that we could all share in the victories to the Glory of God The Father. Amen.

The memories that stand out the most are the divine appointments encountered daily by members of our team. It is exciting to step out in faith and see the Lord show up everywhere and all the time! Laboring side by side with my wingman, Tom, and brothers from various villages as we placed a roof on the new church in the Village of Nemeșești was an awesome experience. Lord willing, I will worship in that Church one soon and that is so inspiring to me. To see Ana, who lives next door to the new church day, emerge from her home with a smile as she rested in God's promise and assurance of salvation after Daphne spent days sharing with her... what can I say?

Check out the pictures at <http://www.facebook.com/nicely.missions> on Facebook (be sure to send a "Friend Request"). They say a picture is worth a thousand words... but pay extra attention to the look of joy on the faces because words can never describe a joy that is unspeakable.

Thanks again to you all even our anonymous supporters. May God richly bless you in this life and the one to come. Praise the Lord!

Dean
